Please make check/money order payable to: "Sunnyvale Animal Control" and mail to:

Sunnyvale Animal Control Unit
P O Box 3707
Sunnyvale, CA 94088-3707

****Senior Exemption (65 years or older must provide proof of age – photocopy of a valid CA Drivers License or Medi-Care Card)**

LICENSING IS MANDATED BY STATE LAW

State law mandates that all dogs over 4 months of age must be vaccinated for rabies, and licensed. **Licenses must be purchased for a term equal to or less than the remaining duration of the dog's current rabies vaccination.** The registered owner must be 18 years old or older.

CATS

The city of Sunnyvale does not require cat licensing at this time.

†PENALTY FEE

Failure to license your dog for any one of the following reasons may result in a late penalty fee.

- ✓ Failure to license your dog by the age of four (4) months or older.
- ✓ Failure to license your dog within thirty (30) days of acquisition.
- ✓ Failure to license your dog within thirty (30) days residency in Sunnyvale.
- ✓ Failure to license your dog upon expiration of a previously issued license.

YOUR PET MUST HAVE A CURRENT RABIES VACCINATION TO BE LICENSED

Include a copy of your pet's most current rabies vaccination certificate issued by your veterinarian, or have your veterinarian complete and sign the front of this application, certifying that the rabies vaccination is current.

LICENSE TAGS IDENTIFY OWNERS OF LOST PETS

When your pet is licensed, a unique number will be assigned to your pet and you will be given a tag with that number. Persons finding a pet with a license tag can call the phone numbers printed on the tag and we will be able to identify the owner and reunite them with their pet. If a licensed lost pet is taken to a shelter, the owner can be identified and contacted.

SPAY/NEUTERING LEADS TO HAPPIER AND HEALTHIER PETS

To encourage spaying/neutering, licensing fees are significantly discounted for altered pets. To receive this discount, you must provide a certificate of spay/neuter when you apply for a license or upon renewal.

Some of the benefits of spaying and neutering dogs and cats are:

- ✓ Reduced number of unwanted animals that end up in the shelter each year.
- ✓ Healthier longer-living pets.
- ✓ Lower or free licensing fees to pet owners.
- ✓ Reduced expense to taxpayers for animal control costs.

For more information on the benefits of spay/neuter surgery, please contact your veterinarian.

PHOTO

If you would like to submit a photo of your animal, you may submit by contacting Animal Control via email at abarreto@sunnyvale.ca.gov This is an optional measure.

REPLACEMENT TAGS

New tags are not sent upon renewal. A \$5 replacement fee is required only to replace lost or damaged tags.
